UNCLASSIFIED//NONE

Sir,

Our unit, HHB 197th Fires Brigade NH Army National Guard, is deployed to Kuwait (and elsewhere in Southwest Asia) in support of Operation New Dawn. Our battery just received a large shipment of packages from Moore Mart. I must say that it was like Christmas getting these boxes. You and your staff would be happy to know of all the smiles that receiving these packages brought to the Soldiers here in the desert. They were all running around like little children. Each asking what the other received and trading this candy bar for that box of M&Ms. The handwritten notes were touching. I received one from "Caroline."

Please thank all the folks that contribute to your fine organization in time, money, and prayers.

Being so far from home for so long is challenging for all of us. It's nice to receive something from the folks at home.
