EXALTED RULER'S MESSAGE

How satisfying it is to be your Exalted Ruler. This year at the state convention we had 18 members of our lodge make an appearance and we had 14 members who attended the State Meeting. This was a first for us and displayed the enthusiasm and solidarity that has become the norm for our lodge. Meanwhile back at 1210 we had a function in the hall on Saturday and a poker run on Sunday. The untimely passing of our function bartender's mother created an opening for this event. Again, the members who remained, filled that vacancy, cleaned the hall, filled in at the downstairs bar and provided coverage for the poker run the following day. Upon our return to the lodge on Sunday afternoon, the hall was already set up for Monday's meeting and the bar was attended by many members. Thank you, thank you, THANK YOU! This is what 1210 is all about and speaks volumes to everyone, especially since we are ALL VOLUNTEERS.

At the convention, we were acknowledged for meeting our per capita goal, three winners in the drug awareness contest, filing our Veterans report. We also received a third place award in Area 1 on Focus on Community for the combined efforts with the Cub Scouts and the troops in Afghanistan.

At the meeting on Monday the 21st, we were presented with a plaque from the Chichester Cub Scouts Pack 85 Charter. 1210 has been working with them for a while and are now their sponsor. I look forward to working with Pack 85 and their leaders in promoting Youth activities in our community.

We have many events coming up: Karaoke, dinners and Flag Day ceremonies. Please see the rest of the bulletin for details.

As you know we receive grants for the Grand Lodge once we meet our per capita. This year we need to raise \$1,498.50 before we are eligible for them. These grants allow our lodge to give back to the community. In the past it has taken us till the Grand Exalted Ruler's visit to reach our goal. Some of these grants are on a first come basis. If any member finds it in themselves to make an additional contribution to ENF beside the \$4.50 basic contribution it would be greatly appreciated and put to good use.

Look forward to seeing you at our lodge.

Fraternally,
Michael Broderick, PER
Exalted Ruler
