Our Exalted Ruler

If you haven't spent a lot of time outside this fall, you are missing one the most spectacular seasons ever. The views in and around the Lodge have been picturesque which is just another reason to swing by on your way home from work, or Friday evening after a long workweek, or the weekend when you can really enjoy the lounge and spend some quality time. Support your Lodge!

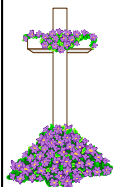

I was unable to attend the Surf n' Turf dinner in September but I found out that there was some miscommunication between the event announcement and what took place during the event. The House Committee did a fantastic job planning for the evening and cooking a wonderful meal. It's unfortunate that a few members did not want to leave the main hall to enjoy the music in the recently renovated Langlois Lounge. You can read the House Committee message below for more info. Kudos to the committee for their hard work during the event. Thank you to those in attendance.

On Saturday, October 12th, we initiated two more members to the Lodge! Please welcome Paul Bushway and Michael Lavoie. Also, Coreen Cameron transferred from the Rochester Lodge. Welcome!

The holiday season is approaching which means a lot of activity at the Lodge for all of our members to enjoy. Soon we will decorate the Langlois Lounge to get all members and guests in the holiday spirit.

The PER Turkey Shoot is the big event for November. Support the PER Association and buy a couple of tickets for Saturday, November 23rd. Event starts at 6pm. Check out page 3 for more details on this event plus some early December events too. We will be going to Riverside Rest Home on Tuesday, December 10th to enjoy some cake and ice cream and sing Christmas Carols. Why don't you join us? The residents really love it and appreciate Dover Lodge members for making their evening. I hope to see members and guests attend the events.

Enjoy your Thanksgiving on November 28th!
Ken

Elks Memorial Service

The Elk Memorial Service honors its members who have passed on over the previous year. It is a very meaningful and heartfelt service performed by the Officers of your Lodge and it should be well attended by our members. I would hope to see many of you in attendance this year, showing respect for our **Absent Members**.

The service will be held Sunday, December 1st at 11:00 am in the main hall. It will only take a few moments of your time, but will leave a lasting impression on you. Light refreshments will be served following the service.

All family members and their guests, as well as all Elks & Emblem Club members are encouraged to join us on this most solemn day as we pay remembrance to those members who have passed to realms on high. "The faults of our members we write upon the sands, their virtues upon the tablets of love and memory." **To Our Absent Members**

Veterans' Luncheon

On Tuesday, October 15th Ken Brown, PER, HLM, and Chairman of the Veteran's Affairs Committee along with Lodge Manager Peter Marcoux, Bob Moore, PER, Barbara Allard, PER, and Judy Santin served a roast pork dinner to over 75 veterans, staff members and volunteers in the main hall. Dover Legion Post 8 provided the dinner rolls and apple crisp for dessert.

Members of the Rochester Veteran's Council helped transport the veterans to and from the Riverside and Rochester Manor vans as they pulled in the drive and got everyone settled in. After a few short words, Norm Sanborn turned the mic over to Ken Brown who lead everyone in the Pledge of Allegiance and offered a prayer thanking all the veterans for their service.

As the volunteers delivered a delicious lunch to everyone, Rochester Elk member John Cox provided some entertainment. To the delight of the veterans, he played a variety of music from the 40's and 50's. It was definitely a "feel good" kind of day!!

From the House Committee:

Sadly an issue at the Surf and Turf was brought to the committee. It has been discussed and we need to express to the membership that the decision to move the music to the Lounge was left in the hands of the Chairman with the blessing of the rest of the committee in attendance. Our thinking was to save the Lodge money by not having the added expense of heat and lights in the large hall for only 30 people (the amount of tickets sold at the time of the decision). That decision upset some ~ and their actions upset others.

Please know that we are all volunteers who cook, set up, clean up, decorate, and try our best to make your night as pleasant as possible. We do our best to make the best decisions when planning these functions. All we ask is that you come directly to one of the committee members if you are not happy with anything at all while at a function and we will do everything we can to address your concerns. We are responsible for our functions and will do whatever it takes to make sure everyone is comfortable and having a good time.

REMEMBER ~ This committee meets every 2nd Monday of the month and ALL members are welcome. There is also a suggestion box in the lounge by the sign-in book where you can submit suggestions, concerns, or complaints. Please voice your concerns through these means ~
