Greetings Members,

What an exciting month August has been. We had an amazing Kidfest and I would first like to thank the Kidfest committee and all the volunteers that help to make it a huge success. I've heard some PERs say that Kidfest was the highlight of their year and I can truly understand why. To see all those smiling children's faces having fun at

something that we work very hard on puts you on a great high. I was pleased with the amount of volunteers that came out and made it happen. That is what Elkdom is all about.

Putting yourself aside to brighten someone else's day is truly a noble virtue. That is what we are doing when we volunteer. We are taking ourselves and investing it into other people. Even when we are doing fundraisers, we are looking to the future needs of our lodge and functions. I am very grateful for all the support that the members show by supporting our lodge with their time, abilities, and their finances. Without these things our lodge would just be . . . a building. It's our members that make Derry-Salem great. It's our volunteerism that makes the Elks what it is. It's what makes the impact on our community, aids those in need, and keeps our building in good shape.

So again, I thank you for all of your hard work. I thank you for making Derry-Salem the best lodge in the state. I thank you for the countless hours and donations that you have put towards all the wonderful things that we accomplish at our lodge. Without it we wouldn't survive, and I'm so thankful to be a part of a lodge where its members will strive to keep it that way.

I will close with this . . . if you haven't found a way to plug into what we're doing, then don't be afraid to ask. Every person has talents and the more talents we have, the better we will be. So if you're looking for a way to get involved please ask. If you have new ideas of things that we could do or ways to raise money, then don't hesitate to bring them up. We have a great lodge, but we're always looking to improve.

Yours in Elkdom,
Joe Morawski Jr.

This month I have the pleasure of presenting a member who always has the best interest of the lodge in mind. He is always there to make sure that things are going according to plan and is willing to step up if need be. You'll see him at pretty much every function. It is for this commitment to our lodge that this honor goes to Don Colby, PER.

KIDFEST

Derry-Salem Elks came together to put on another exciting Kidfest for our community's youth. Our army of volunteers fed, chaperoned and entertained over 220 children as they enjoyed a perfect day.

The kids were given backpacks with school supplies and drug-awareness materials. They climbed up walls and through obstacle courses. They saw karate, police dog, and fire department demonstrations. Games were played. Tickets were redeemed for prizes. Most importantly, these kids had FUN!

It feels rewarding to make one child smile. Imagine the feeling each helper had to make all those kids laugh with joy. Thanks to the members who gave of their efforts to make Kidfest be such a special event. As the last of the kids rode through the gate on bikes that they had won, everyone was tired from a job well done. Can't wait to do it again next year. Feel free to join the fun.

LEFT HAND /

RIGHT HAND

The Left Hand/ Right Hand outing was held on a sunny Saturday. Members didn't have to watch for Red or Green lights as they enjoyed the day.

The clang of horseshoes rang through the air as we proved that going pro isn't in our future. Bocce is another game that wasn't being scouted by the Olympic committee, but a great time was had by all of the participants.

Bob Vitulli proffered some delectable Surf & Turf to top off a wonderful outing. Thanks go out to Bob & Megan Arlitt for putting on an amazing event. Hope to see many more members for next year's bash.
